On December 15, Rev. Jimenez requested permission from the Session for his family to stay in the manse beyond December 31 on a monthly rental basis since he would be undble to locate suitable housing by December 31. On December 19, 1971, the Session voted to permit Rev. Jimenez to rent the manse for one month and that he be requested to proceed immediately to find a new place to live. On January 2, 1972, I personally discussed the situation with Juan and Shirley and made it clear that the permission to rent the manse is only for one month to give them a month's grace in which to find a new place to live; but that we expect them to vacate by January 31, 1972. They agreed to do this and Juan promised to let me know as soon as he has found a place.

Next Sunday February 6, 1972, the sacrament of the Lords Supper will be observed.

The Westminster Church Homes rental project will soon become a reality. First priority will be given to those persons who are affiliated with Churches in the Westminster area.

There are eight efficiency units consisting of a large living-sleeping room, kitchen and bath and these units are suitable for one person occupancy; eighty four one bedroom units with living room, dining alcove, kitchen and bath; and, eight two bedroom units. All these units will be air-conditioned, as well as heated. They will be furnished with an electric range, refrigerator, kitchen exhaust fan, garbage disposal, hot and cold water and the floor carpeted.

Rent will be the only charge and a coin operated laundry will be available for use. The approximate monthly rental will be Efficiency: $95.00; One bedroom $106.00; and, Two bedroom; $127.00.

To live in this project it is necessary to be in good health, or self-sufficient, because there are no facilities for caring for the ill or bedridden. It is also required the renter be at least 62 years of age at the time of moving in and this can be expected to be in the spring of 1973.

There will be provision for rent subsidy for those renters who require it. If your income is over $5500 a year it is still possible you may be able to live in this development if you apply now but the rent of the apartment will be higher than mentioned above.

If you are sincerely interested in moving into one of these units we would like you to fill out the form below. This is not binding but gives you the opportunity of first refusal. Should you have further questions they should be referred to your Church representative Mr. Harold W. Wells. Remember, do not fill out the form unless you will be 62 by the spring of 1973.

If you can't be a pine on the top of the hill,
  Be a scrub in the valley - but be
The best little scrub by the side of the rill;
  Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass,
  And some highway happier make;
If you can't be a muskie then just be a bass-
  But the liveliest bass in the lake!

We can't all be captains, we've got to be crew,
  There's something for all of us here,
There's big work to do, and there's lesser to do
  And the task you must do is the near.

If you can't be a highway then just be a trail,
  If you can'y be the sun be a star;
It isn't by size that you win or you fail -
  Be the best of whatever you are!

HOPE THRU ONE GREAT HOUR OF SHARING
Saint Luke 3:11

"He who has two coats, let him share with him who has none, and he who has food, let him do likewise."

Beginning this Lords Day, March 5, and thru April 9th, are the opportunity dates for our sharing in meeting the needs of people during times of emergency and disaster, and to help them develop their abilities to help themselves.

Our goal is at least $5.00 each church member.

Our children are sharing by using the special recepticles provided thru church school for grades 1 thru 6. Extras may be found on the table near the coat racks.

Church members will be receiving envelopes with this mailing. Additional envelopes are available from the racks at the seats. Your gift may be placed in the offering plate at the worship services or mailed to Frank Beede, Rt. #4 Box 92A. Please share of what you have! This is our one great hour of Sharing!

James Russell Lowell in "The Vision of Sir Launfal wrote, "The Holy Supper is kept indeed, in what so we share with others needs, not what we give, but what we share, for the gift without the giver is bare. Who gives himself with his alms feeds three, Himself, his hungering neighbor, and Me.

THE ENTIRE CONGREGATION expresses deepest sympathy to Frank and Martha Goodfellow, at this time.

RESPONSIVE SCRIPTURE READING

The next evening, when the Sabbath ended, Mary Magdalene and Salome and Mary the mother of James went out and purchased embalming spices.

Early the following morning, just at sunrise, they carried them out to the tomb. On the way they were discussing how they could ever roll aside the huge stone from the entrance.

(over)

But when they arrived they looked up and saw that the stone—a very heavy one—was already moved away and the entrance was open! So they entered the tomb—and there on the right sat a young man clothed in white.

The women were startled, but the angel said, "Don't be so surprised. Aren't you looking for Jesus, the Nazarene who was crucified? He isn't here! He has come back to life!"

• • •

Death came into the world because of what one man—Adam—did, and it is because of what this other man—Christ—has done that now there is the resurrection from the dead.

Everyone dies because all of us are related to Adam, being members of his sinful race, and wherever there is sin, death results. But all who are related to Christ will rise again.

• • •

I am telling you this strange and wonderful secret: we shall not all die, but we shall all be given new bodies!

• • •

For our earthly bodies, the ones we have now that can die, must be transformed into heavenly bodies that cannot perish but will live forever.

When this happens, then at last this Scripture will come true—"Death is swallowed up in victory." O death, where then your victory? Where then your sting? For sin—the sting that causes death—will all be gone; and the law, which reveals our sins, will no longer be our judge. How we thank God for all of this! It is he who makes us victorious through Jesus Christ our Lord!

So, my dear brothers, since future victory is sure, be strong and steady, always abounding in the Lord's work, for you know that nothing you do for the Lord is ever wasted as it would be if there were no resurrection.

• • •

The fact is that Christ did actually rise from the dead, and has become the first of millions who will come back to life again some day.

BAKE SALE by the Women's Association on June 24th, at the shopping center near Safeway. Everyone will be called for a donation. Proceeds are to go toward new drapes for the church. (Hopefully).

The congregation extends congratulations to all student graduating from high school next week.

NEW Hymnals will be dedicated this morning. See insert for dedication.

THE LITANY OF DEDICATION OF THE NEW HYMNALS

Dearly Beloved, we learn from Holy Scriptures that devout men set apart temples for the worship of God, and used music therein for His praise and glory. That music may be a doorway to the presence of God and that we may have available as an aid in our worship the best of the past and the present, we are now to dedicate these New Hymnals for service in our own loved Sanctuary of Prayer. Lift up your heads, O ye gates; and be ye lifted up, ye everlasting doors.

To the glory of God, the Father Almighty, that we may the more worthily worship Him:

WE DEDICATE THESE NEW HYMNALS AND CHOIR ROBES.

To the glory of the Lord Jesus Christ, the Saviour of the world, that our joy in Him may find a more worthy expression in the ministry of music:

WE DEDICATE THESE NEW HYMNALS AND CHOIR ROBES.

To the Holy Spirit, our Guide in all things, whose promptings call us to worship, that we may more fully interpret His influence on our minds and in our hearts:

WE DEDICATE THESE NEW HYMNALS AND CHOIR ROBES

To the Church Universal, the Bride of Christ, and her mission in the world, to comfort the sorrowing, to strengthen the weak, to cheer the weary, to cure the sin-sick, all through the act of worship in His Sancturay by praise and prayer:

WE DEDICATE THESE NEW HYMNALS AND CHOIR ROBER.

The prayer of dedication

CONGREGATIONAL NOTES

Bel Air First Church

A rewarding exchange pastorate was completed this August when the Reverend and Mrs. John Evans returned to their home in Elgin, Scotland, and the Reverend Richard Shreffler was welcomed back to Bel Air.

A First Church Bel Air elder died May 3, 1972, fulfilling 86 years of Mrs. Annie Laurie Worthington Reed's life with that congregation. She was first to serve as a woman ruling elder at that church which she supported in enthusiastic faithful service.

Govans Church

A celebration and reception was recently held at the Govans Church for two members who joined the congregation the same day, May 25, 1897, and have been members 75 years They are Miss Katherine Bottomore and Mr. William Zink.

presented for further consideration at the October 19th meeting of Presbytery. In the light of mission needs in our Presbytery and around the world, some sessions may wish to increase their participation in the work we all do together.

planned and produced by the Division of Nurture and Support
for the churches of the Presbytery

A WORD FROM OUR NEW PRESBYTERY EXECUTIVE

My family and I have found nothing but helpfulness and a warm receptivity since coming into this presbytery. We are delighted to be working among you.

The planning document that the Presbytery has adopted, which establishes objectives in significant areas for creative work, is most impressive. I am seeking to learn from each Division of Presbytery exactly what is being done as we work toward the accomplishment of the objectives. I am looking forward to meeting with as many sessions in the next few months as possible. I hope to be learning where each congregation is in the planning process. I want to know what each session sees as its task, and how it is seeking to perform its mission. Each congregation is located in its own unique setting , so we should expect many approaches as we seek to be faithful disciples.

I am excited that as a Presbytery we are engaged in such a multiplicity of ministries, that our mission is so diverse. Please share with me your concerns as well as your triumphs, your joys and your sorrows. I look forward expectantly to see where God will be leading us in mission in our day.

All Presbyterians in the Baltimore area are cordially invited to my installation on October 19, 1972, as a part of the Presbytery meeting at Second Presbyterian Church, St. Paul St. at Stratford Road.

CARAVAN FOR CAUSES

Another opportunity to visit projects supported by our Presbytery Causes Program is offered for October 28. A caravan of buses will leave from the Catonsville Church parking lot at 8:00 a.m. and return about 2:30 p.m. Places to be visited this year are the Crisp Memorial-Lakeland parish, the Homestead-Montebello Day Care Center, Knox Church and Community Center and the Hampden ministry.

HUMAN RELATIONS LABS

The Task Force has planned a series of labs in the conviction that the role of conflict/consultation is one that is basic to working with church and presbytery committees. Call Bob Bolt for details: 828-7414.

WORLD COMMUNION

World Communion is rooted in the very center of the Christian faith and the Christian community.

Our generation is discovering afresh that it is Jesus Christ who is the center of the Christian faith. It is not what we are told about him or what we think about him that makes us Christians; it is our commitment to the reality of Jesus himself. It is he who frees us from alienation.

The night before Jesus was put to death, he told his disciples how to remember him. He gave them bread and the cup and said, "Take, eat: this is my body...Drink this, all of you: this is my blood ...Do this in remembrance of me."

After the resurrection he was known to his disciples "in the breaking of the bread." And the growing community of disciples "met constantly to hear the apostles teach, to share the common life, to break bread, and to pray." This act of remembrance was a very personal thing. It also was that which from the beginning bound the Christian community together. This it continues to do in Jerusalem and in Samaria and to the ends of the earth.

The early disciples had no difficulty in remembering what the bread and the cup stood for. They had seen his body broken, they had seen his blood shed.

They knew that by giving them the bread and the cup of remembrance, Jesus had claimed them as his own. They knew also that in breaking bread together they were asserting that they belonged to one another as well as to Him.

Every time we receive communion we assert anew that we belong to Christ and to one another. But on this one day in the year, all Christians in a very special way emphasize that there is a common commitment within the community of believers which Paul called "the body of Christ." On this day, hour after hour after hour, Christians of every race and nation join in thanksgiving for the fact that in Jesus Christ God's love has claimed us. In remembering Him, we in the Christian community are strengthened to serve him as Lord no matter what the cost.

THE PROPOSED '73 BUDGET

Big news of the month is the adoption of a proposed 1973 budget by the Presbytery of Baltimore at its meeting on October 19th. This action followed extensive discussion with pastors and meetings with sessions which allowed opportunities for information, suggestions, and criticism. With this dialogue and participation in the budget building process as a foundation the Presbytery set its 1973 goal at $278,468 including $113,445 for the 1973 Per Capita Budget.

THE PER CAPITA BUDGET

Adminstrative costs for the offices of General Assembly, Synod and Presbytery have long been covered by what is called the "per capita assessment," that is an annual per member cost each congregation pays. The total per capita assessment for 1973 would be $3.29 out of which $1.39 goes to Presbytery, 83 cents goes to Synod and $1.07 goes to General Assembly. The funds produced by this assessment would be $36,915 for General Assembly, $28,635 for Synod and $47,895 for the Presbytery.

The Presbytery Per Capita Budget includes the salaries of the Executive Presbyter, the Administrative Secretary, the Stated Clerk, Bookkeeper, secretarial services, office expenses, and administrative expenses of Divisions and Committees.

THE PRESBYTERY MISSION BUDGET

The Mission Budget goal of the Presbytery for 1973 is $165,023 to be raised through funds designated by Baltimore Presbytery congregations.

The reorganization of our denomination has a basic policy of funding for services and programs at the lowest possible judicatory. In line with that principle, staff positions formerly funded on the Synod level will now be funded by Presbytery. The mission budget for '73 includes the salaries of an Educational Consultant and a Director of Mission Development to be shared on a half-time basis with New Castle Presbytery. The Presbytery share of these salaries including our continued support for a Director of Metropolitan Strategy is $22,093.

Funding for Presbytery Causes is the major part of the mission budget with a goal of $142,930 to be used for Presbytery sponsored and approved programs. These include Cherry Hill, Crisp-Lakeland, the programs of the Presbyterian Association, the Divisions of Presbytery and the Presbytery Causes for the care of the elderly, community centers, and medical ministries. Major Presbytery causes are the Presbyterian Home of Maryland, the McKim, Knox, Cherry Hill, and Arlington centers, Emmanuel Hebrew Congregation and the Presbyterian Hospital.

planned and produced by the Division of Nurture and Support
for the churches of the Presbytery

THE PRESBYTERY MISSION BUDGET (Con't)

In summary, the proposed '73 Presbytery of Baltimore budget goal is $278,468 which includes the Per Capita Budget $113,445 and the mission budget $165,023 for a total of $278,468.

MEALS ON WHEELS

Forty additional workers are needed to give three hours per week. If you are interested or know of some person who is willing to share a portion of time in this helpful way, please call 727-6089.

CHANCEL DRAMA

An active chancel drama group of the Hunting Ridge Presbyterian Church in Baltimore wishes to share information on meaningful drama programs for worship. If you have plays you have found meaningful and drama resources you have found helpful for drama worship programs, please contact Mrs. Martin Singewald through the church at 566-2926.

PRESBYTERY YOUTH COUNCIL

Each congregation of Presbytery is invited to send in delegates and other senior high young people to the Presbytery Youth Council. The next meeting is November 12, 2:00 p.m. at Second Presbyterian Church, Baltimore. A Second Church Senior High will moderate the meeting and produce the "Youth Newsletter." Faith Church young people will moderate the January 14 meeting and the March 11 meeting will be moderated by Grace Church Senior Highs.

SKILLS BANK

The Presbytery is forming a Skills Bank which will record the past and present service and interests of our members. Questionnaires have been distributed to churches. Have you received, completed, and returned yours?

Dear Members and Friends of the Church:

At a meeting of the Joint Boards of the Church and the Pastoral Nominating Committee, a motion was made and carried to the effect that:

1. A target date for the installation of a new minister be set at April 1973.
2. A budget be prepared and presented to the congregation that would cover the necessary expense.

It was realized that the Pastoral Nominating Committee could not proceed until it was financially practical.

Nothing could be more difficult than to speak of getting a new minister when we already have Dr. Ice. He is the first to remind us that he is here on an interim basis - and his job, like ours, is to help secure a full time minister for this church.

A budget is being prepared that will show the alternative costs of calling a new full time minister. It will be mailed to you next week.

Information accumulated to date by the Pastoral Nominating Committee indicates that our church would be a desirable charge by many ministers who are desirous of new goals.

Your prayerful consideration is requested of the alternate budgets since it is necessary that the congregation commit itself to a course of action before the committee can proceed.

To All Church Members and Friends

Your Stewardship Commitment for 1973

Last week you received a letter from the Pastoral Nominating Committee stating the Joint Boards agreed on a target date of April 1973 for the calling of a full time pastor, contingent upon the ability of the Church to support him and the Pastoral Nominating Committee being able to call him.

In accordance with the above, the Trustees have prepared the attached expense budgets for 1973, broken down three ways, as follows:

Full Time Pastor as of April 1, 1973
Full Time Pastor as of September 1, 1973
Interim Pastor for 1973

The Session has reviewed the budgets and are submitting them to the Congregation in anticipation of the Every Family Stewardship Canvass that starts next Sunday, November 12.

It should be noted that the income for this year from pledges and plate offerings will approximate $15,000. To meet the target date of April 1, 1973 for a full time pastor, it will be necessary to have a total income of $19,752, or approximately $5,000 of additional income. The other figures shown on the attached budget schedule of $17,721 and $14,628 are for your information in the event the target figures are not achieved.

The Session feels the April 1, 1973 target budget must be raised if we are to pursue an on going religious program for the congregation and the community. It may seem like a "tall order", but there are more member families than at this time last year, and if we all do our part, it is possible to raise this budget. We ask you to assess your financial situation, and in the light of what God has done for you with His continued goodness and ever present love and help, support the target budget of $19,752.

Yours in Christ

The Session

STEWARDSHIP 1973

Dear Members and Friends of the Church:

Each year at this time you receive letters that are reminders of the needs of your church. These letters require some soul searching on your part - what is the place of the church in your life, and how can you share the responsibility for the program of the church.

This year we have an added consideration - meeting the requirements for calling a full time minister. Dr. Ice consented to act as our minister until we could afford a full time minister. Your Pulpit Nominating Committee can proceed only as you support and respond to the Stewardship Canvass.

In this Canvass the emphasis is on pledging. Ninety per cent of our present income comes from pledges. Thirty-Six individuals or family groups pledged this present year. Some members pledge a portion of their income, others pledge an amount they consider a fair share. However it is done - our budget this year requires an increase of 30% if we are to support a full time minister, and meet our other responsibilities.

The 1973 Canvass will be made as in the past. On two succeeding Sundays, November 12th and November 19th, pledge cards will be available in the pews. You are asked to fill in a card and place it in with your regular collection. Visits or calls will be made on those who have not indicated their action on either of these dates.

Establishing a new church, we have found, is more than building a structure. It is a continuing challenge to the strength of our faith, and our devotion to it.

Prayerful consideration of a pledge is asked of each of us this year. We have had many setbacks, but we have remained a closely knit group. We should be ready for the growth and responsibilities that can come with the acceptance of new leadership.

WHAT HAPPENED TO THE RIDGELY STREET CHURCH?

On July 31, 1972, the congregation of the Ridgely Street Church was dissolved. The next issue to be resolved is that of the empty building. How do you best make use of a building that is located in a decaying neighborhood emptied by the threat of an expressway - a neighborhood with a high degree of vandalism, low income, and high insurance rates?

Well, one thing you do is contact the Office of Metropolitan Strategy. Wayne Moulder formed a corporation known as L.P.S. Industries which leased the church property from the Trustees of Baltimore Presbytery.

L.P.S. Industries, Inc. is in the business of assembling and supplying cordless electric grass shears to Black & Decker Company as an independent contract supplier.

L.P.S. is quite unique. They employ only unemployables. The employees are welfare recipients, alcoholics, addicts, handicapped, ex-offenders - the kinds of people who do not get hired elsewhere due to lack of education, training, motivation, and skills. These people are producing at L.P.S. They are producing grass shears. They are producing profits in addition to their wages. But more important, they are producing a sense of pride, self confidence, independence, and a new sense of freedom.

The hiring and training of the workers are handled by L.P.S. From the skills acquired, some of the workers are qualified to apply for another better paying job.

Nineteen people who were unemployable now work at L.P.S. By January, 1973, 30 people will be producing 5,000 grass shears per week. It is anticipated that with other contracts, 100 people will be working there in a year. Their work records, production, and quality of work produced exceeded anyone's highest expectation.

What happened to Ridgely Street Church? This church is now a factory full of employed "unemployables" producing L.P.S. (Love, Peace, and Soul.)

NEW YOUTH COUNCIL

A youth council was formed for the Baltimore Presbytery in April of 1972. All church youth groups are invited to send one official representative and as many other interested persons as would like to come. We have formed task groups on communication, outreach and program, and would appreciate other kids' interests and support.

We will next meet on January 14, 1973, at Second Church, 2:00 P.M. If you or your youth group would like more information about what we are doing, please contact the Presbytery Office.

HOMESTEAD MONTEBELLO

The Homestead Montebello Day Care Center is a living testimonial of the deep meaning of the word HARAMBEE. Harambee is a word of

Planned and produced by the Division of Nurture and Support
for the churches of the Presbytery

of the Swahili language of Africa which means TOGETHERNESS in community.

A couple of years ago, when the Homestead Montebello Presbyterian Church decided to dissolve, leaders of the church, community, and the city came together in deliberation as to what course of action best to pursue in regard to the church building and community interests. In the spirit of the word Harambee, all parties concerned agreed that the creation of a day care center would be a way of extending the mission of the church in a very meaningful manner.

The reality of the day care center is a credit to the leadership of the Presbytery of Baltimore, the Office of Metropolitan Strategy, NECO, Third Lutheran Church, Montebello-Homestead Churches, Inc., and Montebello Community Assn.

The philosophy behind the day care center is to administer to the needs of children of working mothers by developing all around community involvement. It was agreed that the government of the center would be done through a Board of Trustees, the composition of which would be parents of the children in attendance, professional persons with child care or social outreach skills and community organizations.

In this spirit the day care center has moved forward in just four months to an enrollment of 85 children, 5 teachers, 8 aides, 1 cook, 1 secretary, and 1 social worker. This work is being executed under the direction of Mrs. Barbara Mitchell, the director, and the Department of Social Services.

GOOD HEALTH!

Prayers and concern are shared for two of our pastors who were ill last month. Under doctor's orders, Milton N. Leininger, pastor of Abbott Memorial Church missed the first Sunday from pulpit of his long and distinguished ministry.

J. Kent Bull, pastor of the Dundalk Church was hospitalized last month, and after a recovery period at home, is able to continue his work.

MEET THE MODERATOR!

Ruling Elder C. Willard Heckel, Moderator of the General Assembly, will visit Faith Church (Loch Raven Blvd. at Woodbourne Avenue) on January 21, 1973. The program will be an informal family night with a covered dish supper at 5:30 P.M. You are invited! Bring an item of food in sufficient quantity to serve your family for the covered dish table and enjoy an opportunity to meet the Moderator! If you can't make the supper, you may come at 6:30 P.M.

It is now also anticipated that the Moderator will participate in the ordination and installation of Charles Kukal as pastor of the Calvary Church (610 N. Linwood Ave., Baltimore) at 4:00 P.M. on January 21. Not many young pastors have the Moderator of the General Assembly present for such an occasion!

FRATERNAL WORKERS ON FURLOUGH

Residing within the Presbytery this year are two families who are on furlough from work overseas under the Commission on Ecumenical Mission and Relations. Richard and Rosemary Lane, both medical doctors, have served for one term in Cameroon, and they are living at 3800 Monterey, Baltimore 21218. Dr. and Mrs. James Keefer, who have worked among the western tribes in Ethiopia, doing literacy and translation work, are living at 305 Ethan Allen Avenue, Takoma Park, Maryland 20012.

On furlough by necessity, not by choice, are the Fred Tinleys. Fred has undergone three operations at the University of Md. Hospital in Baltimore, and at press time was greatly improved. He is a long time member of Baltimore Presbytery, and both Fred and Isabel are former Baltimore residents. Many friends have expressed prayerful concern.

THE MORNING WORSHIP
December 31, 1972 10:45 A.M.

Eternal God, our Father,; When the burdens are heavy and the day seems endless; when the skies are gray and our lives have no music in them; when our hearts are very lonely and our souls have lost their courage - we beseach thee; Flood our paths with light. Turn our eyes to Him who is the Light of the World; Kindle a flame within our hearts; Be Thou our Comrade as we journey along the Road of Life. In Jesus Name. Amen.

Confession of Sins

"O most merciful God, Father of our Lord Jesus Christ; Who pardonest all such as truly repent and turn to thee; We humbly confess our sins and implore thy mercy. Have mercy upon us, O Lord, and blot out our iniquity."
