Why do we hold Fundraisers???

As you know, each year we make a budget request for funds to be allocated to the youth program from church pledges. However, Mission Trip funding and youth group meetings are **NOT** included in our budget! Funds for these activities come from donations from the congregation, participant fees and FUNDRAISERS!! Money from fundraising covers a large portion of our mission trip expenses.

To have successful fundraisers...

Be sure to include these dates on your calendar, and join in!
