

How do I sign up for events/activities?

For every off site activity, your youth staff will send out a registration form that includes a permission form addendum attached. Forms can be found on the church website fpcwest.org (or fpcwest.com for a short time while we are transitioning to a new website) and paper copies will be available on the youth bulletin board. For other events, and Youth Group meetings, we will be using emailed Evites. For each event, a deadline for registration/and or payments will be listed.

******Please pay attention to the deadlines!! Registrations and payments received after posted deadlines will not be accepted.******

Where do I turn in my forms and payments?

There is a locked mailbox hanging outside of the youth office. The youth office is located directly across the hall from the Pastor's office. Please use this mailbox to return all registration forms and payments. This mailbox will be checked regularly. You can also turn forms in directly to Linda at all youth group gatherings.

What If I have a question about an event?

Please feel free to contact Anne or Linda by email, phone, text, Facebook or Instagram. We want to hear from you!

(You'll find all contact information on the Youth Staff Page)
